Can I connect at any time in the day (even on Sundays) to take the Learning Modules (LMs)?

Yes. The material is available on the platform 24 hours / 7 days by providing username and password at:

<https://eclass.llc.uth.gr/courses/KDVM283/>

How much time do I need to complete the all 7 LMs?

It is estimated that you will need approximately 3 months, considering that you will be part time dedicated to the curriculum.

If I have a question when attending the course, do I have to write or to contact someone in my country?

For each LM, a person in charge from each partner Institution has been assigned to respond to any queries arisen by the trainees. You can consult her/him in English or in your language. You can find the corresponding persons (names and emails) in the file entitled "Contact Persons" (lines 3 and 4) that you can find in the folder entitled "* GENERAL INFORMATION FILES", in the "Documents" tab, at the vertical menu to the left.

If I have a question or a feedback about the content of LMs, do I have to write or to contact someone in my country?

For each LM, a scientific responsible person from each partner Institution has been assigned to respond to any queries arisen by the trainees related to the content of each LM. You can consult her/him in English or in your language. You can find the corresponding persons (names and emails) in the file entitled "Contact Persons" (lines 5 and 6) that you can find in the folder entitled "* GENERAL INFORMATION FILES", in the "Documents" tab, at the vertical menu to the left.

What can I do if I encounter technical issues with the platform?

You can consult Assistant Professor Dimitris Papanastasiou (dkpapan@uth.gr), University of Thessaly, in English, providing name, surname, country and describing the technical issue that you encounter.
